TRUTH

Cabernet Sauvignon, Napa Valley
2023

BACKGROUND

Truth Cabernet Sauvignon, Napa Valley 2023 is the answer to a market demanding better for less. We have always demonstrated value in all of our products. However, nothing quite as compelling as this wine. The wine is tender and rich from Stags Leap and Coombsville grapes. As you know, 2023 is a historically great vintage for Napa wines.

As with Worthy, which has consistently punched well above it's weight for decades, this offering continues in the same vain, with a Quality Price Ratio that the competition simply can't touch.
