## TELIOS

The Telios brand is a new entry to the portfolio. Proprietor Gus Kalaris introduces this purely unadulterated Cabernet into a price bracket of wines traditionally manipulated with profile additives, etc. The name Telios is of Greek origin meaning "complete", finished in the most successful way possible, reaching the pinnacle. Telios follows all the same protocols and philosophy of all of our Axios Napa Valley wines, achieving perfect balance.

**Winemaker Notes:** 100% pure Cabernet Sauvignon, no alterations, no additions, nothing but Cab as the owner wanted. The wine is rich, and full of Cabernet expressions. Cocoa spice, cherries and dark current plague the aromas with a lively yet full bodied character that follows into a long lasting finish of dark fruits and exotic brown spices

**Harvest Report:** Bud Break and flowering occurred two weeks ahead of normal, pushing up harvest accordingly. Smaller clusters and berries, resulted in exceptionally richer wines.
